## **Choice Screening, Inc. Introduces Newest Partner, Aqore**

***Choice Screening integrates with Aqore, launching a fully inclusive hiring process in one powerful platform.***

**Denver, CO, May 17, 2022** - Choice Screening, Inc., an industry leader in background screening solutions announced their most recent partnership with Aqore.

Choice Screening's pre-employment background screening solutions, together with Aqore's recruiting and sales solution will create an effective and influential collaboration to simplify the onboarding process and enhance the candidate experience.

Choice Screening CEO and Founder, Matthew Mitchell said: "We are excited about our most recent partnership, which ensures our clients will gain a competitive edge in the highly competitive recruitment industry."

Hiring processes are often times plagued with problems, from incomplete and slow background checks, to accessing multiple platforms, to slow-moving procedures. Choice Screening not only offers comprehensive background screening services but provides hiring solutions such as E-Verify/Form I-9 management or Adverse Action Letter services to help mitigate problematic procedures. Now, with Aqore's state of the art software solutions, employers will improve practices, save time, and gain support during their strategic decision making.
